Our Heart and Vision - "What is the chief end of man? To glorify God and enjoy Him forever." (WSC#1)

- See the church grown, built and strengthened.
- Plant churches where there is none
- Take the Gospel to people who have not heard it.
- Reach those who are unreached, forgotten or hidden.
- Teach and disciple Christians around the world.
- Most of all we want to be a part of building up those who would go and do the same.
