

HEART AND VISION

Our heart can be best summed up in the Westminster Shorter Catechism #1: "What is the chief end of man? To glorify God and enjoy Him forever." Our heart and vision is to see the church grown, built and strengthened. We see the continuous need to plant churches where there is none and take the Gospel to people who have not heard it. We want to reach those who are unreached, forgotten or hidden. We would like to be a part of the teaching, and discipleship of Christians around the world. Most of all we want to be a part of building up those who would go and do the same.

SERVING THE LORD AROUND THE WORLD!

TRAINING TO TRAIN

Our first 2 years is spent in getting trained at the Montana Missionary Training Center and Eastern Europe.

Then we will be somewhat global in scope. Much of our time will be spent working with the Training Center in Libby continuing to raise up missionaries. Another large chunk of our time will be working with peoples throughout Eastern Europe. These are the post-communist regions where we have worked with villages of hidden/forgotten peoples. Although IM works primarily in these areas, we also work with organizations that have strongholds in the 10/40 Window and there is movement to reach further into these areas as God opens the door. This is a perfect opportunity for us!

Planting Churches—There are many people around the world without a church body. "...not forsaking our own assembling together."

Heb 10:25

Teaching God's Word to people who can in turn teach others the ways of the LORD! "All Scripture is inspired by God and profitable for teaching, for reproof, for correction, for training in righteousness; that the man of God may be adequate, equipped for every good work." 2 Tim 3:16-17

Discipleship—As each one of us needs to be discipled, we also need to disciple others. We need to raise mature believers and this can only be done through a lifetime of discipleship.

Making Friends—Showing God's love. "You shall love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbor as yourself." Luke 10:27

Evangelism and Missions—Healthy churches need to be sending churches. Training is needed to teach national churches to evangelize locally and across the globe to every tongue, tribe and nation.

Helping Those in Need— God has blessed us spiritually and physically to help those in need.
