Most people know that we have been seeking God’s direction with fulltime ministry. We have researched, talked to, and even interviewed with missionary organizations with every niche possible. We have looked at different people groups, countries and even types of work needed. After laborious and stretching inquiries... the choice has been made. We will be moving forward with International Messengers (IM), an interdenominational organization bringing the Good News to people who do not have it.

IM is the organization we are most familiar with as we have served overseas with them many times. David has worked with them for years on many different trips.

Schooling and Training - Training starts now! Our learning begins with cross-cultural and language acquisition training. Our main training is at the IM Missionary Training Center in Libby, Montana. Along with this 4-5 month training, David will continue working on (chipping away at) Seminary courses. We see Biblical education as critical. Then our 2 year internship will begin.

Heart and Vision - Our heart can be best summed up in the Westminster Shorter Catechism #1: “What is the chief end of man? To glorify God and enjoy Him forever.” Our heart and vision is to see the church grown, built and strengthened. We see the continuous need to plant churches where there is none and take the Gospel to people who have not heard it. We want to reach those who are unreached, forgotten or hidden. We would like to be a part of the teaching, and discipleship of Christians around the world. Most of all we want to be a part of building up those who would go and do the same.

Location - During the first 2 years we will complete an internship working side by side with missionaries currently stationed within the Eastern European Bloc. This is part of the post-communist region where we have worked previously with villages of hidden/forgotten peoples. We will be interning with church plants in either Poland or Slovakia. Although IM works primarily in Eastern Europe, we work with organizations that have strongholds in the 10/40 Window and throughout the world. There is movement to reach further into these other areas as God opens the door. This is a perfect opportunity for us!

Flagstaff Christian Fellowship - Our mindset is not that we are leaving FCF and joining IM. We are an extension of our sending church. Our family is not splitting but growing.

Deputation - This period of preparation, church affirmation and raising support must happen before we can go to training. If you feel led to give to this ministry send your tax deductible gift to the address in the left column. If you would like to be on our mailing list and receive our prayer letter, please send us your name, address and email address.

Thank you - In Matthew 9:38 Christ commands us to “pray the Lord of the harvest to send out workers into his harvest.” Your prayers have been answered in the many people who are willing to go. Thanks for all your support as we transition from senders to goers and join those who went before us. We look forward to serving as you, our church family, sends us.

In Christ’s service,
David and Nicole Beger
