1 Corinthians 3:6-8  
“*6 I planted, Apollos watered, but God was causing the growth. 7 So then neither the one who plants nor the one who waters is anything, but God who causes the growth. 8 Now he who plants and he who waters are one; but each will receive his own reward according to his own labor.*”

Culiacan Trip Preparation

**Last Prayer Letter???** - Unless you send in the coupon to be added to our prayer letter list we do not know that you want to receive them. If you have not yet sent it in with the “ADD ME TO YOUR PRAYER LETTER LIST” box checked, this will be the last one you see. We want to be sensitive to those who are not interested in our ministry direction in Eastern Europe. Plus IM needs to know who you are because they handle the paperwork. Please send it in.

**Team Building** - Our original desire was to begin our Mountainside Missionary Training in January 2006, but the Lord has different plans. We cannot go until we are sent. We are not yet funded so the MMT will begin in August 2006 (Lord willing). We will now have the desired 10 months for team building. This consists of visiting churches, small group, and individuals across the country who are interested in sending the Gospel to people who have not heard it. **TALK TO US IF YOU KNOW OF ANY INTERESTED PARTIES.**

**Direction** - After training and team building we have a 2 year internship working side by side with seasoned missionaries. We are currently leaning toward church plants in either Poland or Slovakia for this internship period.

**Calendar** - Our new schedule is full. These are the current main entries.

January—Culiacan Mexico Ministry  
February—Church Planting Training in Orlando  
March—Shepherd's Conference in California  
May—Poland and Slovakia  
June—SPLICE Intercultural Life and Ministry Skills  
July—PILOT Language Acquisition Training  
August—Mountain Missionary Training

...and traveling to churches across the country between all the training!

**Culiacan Mexico** - The next big trip is an outreach to migrant workers in Mexico. Thousands upon thousands of native Central Americans descend on Culiacan from their hard to reach villages in search of work. Many do not speak Spanish and have not heard the Gospel of Christ. We will be dispersing the Gospel on cassette in their own native languages.

**Support** - Our support levels are now at 43% startup costs and 15% monthly.

**Presenting** - If you have a desire to become a part of our ministry, or know of interested parties please talk to us. We are more than willing to visit a church, small group or individual while we are traveling over the next few months.

In Christ's service,
